Rules and how to enter

Newspapers that were published between 1 July 2009 and 19 July 2010 qualify. The closing date is **Thursday 22 July 2010**.

The judges' decision is final and **no correspondence** will be entered into.

In the category for **individual entries**, only three entries per person per category are allowed. Put all the entries for one category (i.e. News Reports) in a separate envelope (and not together with Sports Reports etc.). Send pictures on a CD together with your entry form. Send one copy of each individual entry with a completed entry form.

In the category for **Best School Newspaper**, only FOUR EDITIONS of your paper will be judged (e.g. Aug 2009, Nov 2009, March 2010 and June 2010). If you produced more than four editions, enter the four best editions. If you produced less than four editions, enter all your edition – albeit two or three.

Send THREE copies of each edition of your paper that you are entering. Enter these with only ONE business plan and ONE entry form.

Plagiarism will not be tolerated and any entry found containing plagiarism, will be disqualified immediately.

Media24 does **not** give **individual feedback** to schools or learners, but will provide general feedback and tips after the adjudication had been completed.

Mark sheets are available at www.jip.co.za/nsp - so that you can see how marks are allocated. For more information and examples, go to www.jip.co.za/nsp or join our facebook fan page (NSP).
